2. **Power Down** was on Wednesday, October 3! Stay tuned next week for the results. Last month in September, we actually used more energy on Power Down than on an average Wednesday, so hopefully guerrilla team activity and outreach momentum will produce energy savings this month. We did not add the extra usage to our semester goal for savings, which remains last semester's metrics.

See the [website](#) for graphs of last month's and last semester's Power Down performances!

Email Megan at [mcm781@humboldt.edu](mailto:mcm781@humboldt.edu) if you have questions or interest about data analysis.

3. **Green Campus Outreach:** Follow Green Campus on Instagram [@greencampus\\_hsu](#) and check out our website [greencampushsu.weebly.com](http://greencampushsu.weebly.com)!

I (Abigail) run the Instagram and website, so email me at [al354@humboldt.edu](mailto:al354@humboldt.edu) if you have any questions or interest! Email [greencampus@humboldt.edu](mailto:greencampus@humboldt.edu) if you have any content to post; Morgan runs the email account.
