Update: Monthly Photo Contest

On social media, each month has an energy-saving theme associated with it: September=light, October=water, November=food, December=heat. In October, November, and December, there will be a photo contest linked to the theme. Photo submissions should be thematic. For example:

We will begin advertising for submissions next week with Power Down, Weigh the Waste, and E&W Competition in several ways: on Instagram, on the website, in mass emails through department heads, in class announcements, etc. There are definitely opportunities here to design flyers and work on other outreach tasks.

There are two ways to enter the contest:

1. Post a photo that you own and that relates to this month's theme on Instagram.
2. Tag @greencampus\_hsu. We will repost your photo!
3. Tag 2 of your followers to spread the word about the contest and encourage them to Like your photo on the Green Campus Instagram page @greencampus\_hsu!

~or~

1. Email your photo submission to [greencampusclub@humboldt.edu](mailto:greencampusclub@humboldt.edu)
2. Follow us on Instagram to see your photo posted on the Green Campus Instagram page @greencampus\_hsu!

All valid entries will be posted on the Green Campus Instagram page @greencampus\_hsu.

Like your favorite photos to help their photographers win prizes! 1 Like = 1 vote

Voting closes Xxxday, Xxxber XX

1st, 2nd, & 3rd place winners will be awarded prizes in the following days! (\*\*Paid University Green Campus employees may not win prizes\*\*)

To acquire prizes, we will be asking local businesses for donations, and possibly fundraising or requesting funds from our club treasury or from Facilities. There are opportunities here to help finalize prize choices and work to acquire the items.

Please respond to this email if you're interested in getting involved at all!

Sincerely,  
Abigail
